REMARKS DEC 20 2006

Claims 1-59 were previously canceled. This amendment cancels claims 60-65 and adds new claims 66-91. For this reason, claims 66-91 are pending examination.

Restriction Requirements

The Office Action addresses claims 1-65. However, claims 1-59 were canceled in a Preliminary Amendment filed September 17, 2003. As a result, out of the claims addressed in the Office Action, claims 60-65 were the only claims pending at the time the Office Action was mailed. The Office Action lists each of claims 60-65 as belonging to Invention I and species I-7. Since the only claims pending at the time of the Office Action fall within a single species, the Restriction Requirement is moot. For this reason, the Applicant does not make an election at this time.

The Applicant has re-written prior apparatus claims 60-65 as new method claims 66-71.

The Preliminary Amendment also amends the specification and the drawings.
